242

No opinion

186

Disagree

128

Agree strongly

99

Disagree strongly

43

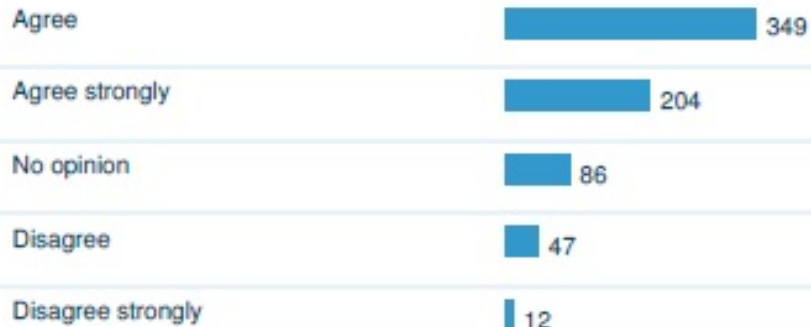

❖ Efectividad

INSPIRE has improved the availability and accessibility of spatial data and services

-single choice reply- (compulsory)

Requested records

698

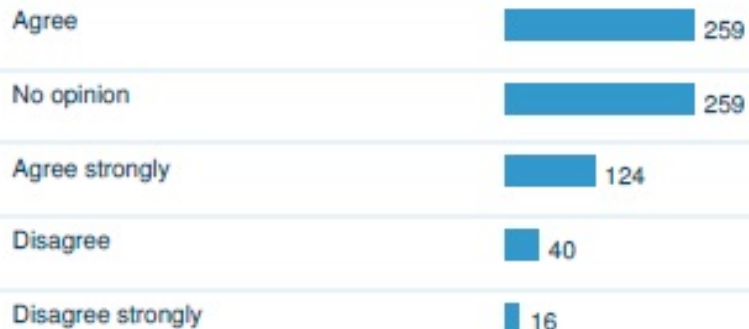

INSPIRE makes it easier to find and use spatial data and services in cross-border areas

-single choice reply- (compulsory)

Requested records

698

❖ ¿Y los costes/beneficios?

The benefits of INSPIRE will be greater than the costs

-single choice reply- (compulsory)

Requested records

698

No opinion

Agree

Agree strongly

Disagree

Disagree strongly

❖ Conclusiones

- Pocas respuestas
- Demasiada presencia AA. PP.
- Servicios más disponibles que los datos (~ 50 %)
- Licencias y precios son una barrera (~ 50 %)
- Mejor coordinación nacional que europea
- Beneficio > coste no está claro (~ 50 %)
